A Letter From Our Founder

July 2014

Beloved Family,

Welcome to the 10th Anniversary White Party Fundraiser for Entering the Holy of Holies, An Institute of Learning and Healing, Inc. (ETHOH)! It has been and continues to be a joyful journey filled with wonderful new beginnings and timely old endings.

Many of you who are here tonight have been traveling with me for a very, very long time. The ancient Chinese philosopher, Lao Tzu once said, "The journey of a thousand miles begins with a single step." I am truly honored that so many of you here tonight have continued "stepping" with me in my Traditional West African Dance Classes, The Meditation Workshops known as "The Teachings", our Woman's Rite of Passage Program, Seasonal Detoxifying Cleanses, Retreats and now, allowing your children to join the journey and step onto their own Spiritual path with our Meditation for Kids Workshops.

At ETHOH our motto is simple. We help people recreate their lives in Love. We believe that peace is possible but that it must first begin at an individual level before it ever manifests on a global scale. We know first-hand just how difficult that transformation process is but we also know that when an individual begins to love him/herself then their entire world changes. And then it spreads because Love is contagious!

So with Great Respect and Love I welcome you into my Circle of Love. I embrace you with a smile and hug. And I invite you to live your life fully with Integrity, Humility, Purpose and Love. Thank you for coming this evening and sharing this very special moment with me and my family.

With All of My Heart,

Reverend Nafisa Sharriff
